* On 2/19/14, the borough manager approved a transfer of 50 skier days from AMG to SEABA.

** On 4/19/13, the borough manager approved a transfer of 100 skier days from AMG to AK Heli.

*** 2009 - Emergency Ordinance 09-04-205 added 200 skier days and 120 photo days to the code-allowed 1,000 and 140. The ordinance did not stipulate specific operator allocations. AK Heli and SEABA both used some of the additional days allowed under the emergency ordinance, so they did not inappropriately exceed their initial allocation.

**** Assembly changed from allocating skier days to helicopter usage. They also authorized a fourth operator.
